Thank you for giving us the honor of caring for your furry family member! We will make sure he/she feels loved, happy, and feels like Happy Paws Luxury Cat Resort is the "purrfect home-away-from-home!"

Enjoy your trip and know your kitty, our guest, is being loved and in the best of hands!

As the pet parent of my kitty/kitties:

_____ (*kitty's name*),

I, _____ (*your name*),

give Happy Paws Veterinary Hospital LLC permission to provide the necessary treatment to properly care for my kitty during his/her stay. In the event that HPVH team believes my kitty needs medical care, I understand that the staff will attempt to reach the contacts listed below, but regardless of whether I (and the emergency contacts listed below) are reachable, HPVH has permission to not delay and to proceed with getting my kitty the necessary exam, diagnostics, and treatment needed in my absence. I agree to incur the cost of any medical attention provided for my kitty. HPVH is a one doctor practice at this time. In the unlikely event that our doctor is unavailable to provide this care at HPVH, I give HPVH permission to seek timely medical attention for my kitty elsewhere. HPVH will contact any veterinarians listed below, however, if the veterinarian(s) listed below are not available in a timely manner, I give HPVH's team permission to seek medical attention for my kitty where HPVH sees fit.

At Happy Paws Luxury Cat Resort, we always want to ensure our kitty guests are eating well, urinating at least every 12 hours, and having a bowel movement every 24 hours. In the event that my kitty is not a good consistent eater, is not urinating regularly, or defecating regularly, I agree to the cost of a veterinary exam, when indicated, and/or but not limited to: the cost of extra yummy/special food items, and/or medications to help stimulate appetite (usually transdermal mirataz), and/or SQ fluids if indicated to help support my kitty so he or she starts eating, urinating, and having regular bowel movement.

All new kitty guests who have not been to Happy Paws Veterinary Hospital LLC are required to Establish Care (Exam cost is \$82) with our veterinarian either prior to boarding or during his/her stay. To Establish Care, all medical records are required in advance. For returning patients/guests, a

veterinary exam is requires every 6 months, however, if a patient/guest has a medical condition (such as kidney disease, hyperthyroidism, diabetes), an updated exam may be needed more often than every 6 months so that we can ensure we are taking the best possible care of your sweet kitty!

Check-in and Check-out appointments:

We are a busy veterinary hospital, therefore, we require 15 minute appointments to be scheduled in advance for all cat hotel check-ins and check-outs between the hours of 8:30am and 5pm Monday-Friday at a time that does not interrupt our veterinary appointments and surgery schedule. In the event you need to reschedule your check-in or check-out appointment, please reach out well in advance either via text or phone to reschedule and find out what times we have available 720-520-2412. Please bear in mind, we likely cannot accommodate last minute reschedule requests that interrupt our appointment and surgery schedule.

- My kitty's Check-out appointment has been scheduled for
 - Date_____
 - Time_____
 - by HPVH team member _____
- I understand that if I show up outside of my scheduled appointment window, I may be asked to come back at the scheduled time, if not, there may be a significant wait and an additional fee of 50\$ will be applied to my account.

Initials_____

I understand, should I choose to bring belongings from home, belongings may be soiled, damaged or lost. Guests always have a comfy bed and toys supplied by Happy Paws Luxury Cat Resort. If personal belongings require being laundered, I understand that there is a \$8.00 laundry fee every time an item is washed. Damage to belongings can occur when items are washed. We ask that pet parents not supply bowls because it is impossible to keep track of bowls when cleaning them twice a day. We have cute bowls your kitty will love!
